On/off switch and cord support.

Two rear wheels for ease of transport.

Foot-operated handle release lever.

FLOOR TREATMENTS

washing

dewaxing

fine grinding

polishing

3300
orbits/
min

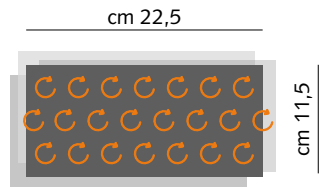

- Corded orbital with direct drive transmission, steel frame and PPL cover
- For floor maintenance, deep cleaning and polishing

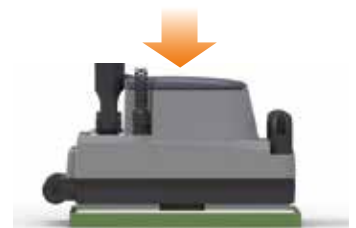

Attachments for the cleaning of edges even with rounded angles, of stair risers and baseboards.

Orbital Motion

The orbital motion generates a constant orbit, causing numerous passages over the same surface area.

Kg 10

The hinged handle facilitates all rotations even up to 180° sideways and 90° backwards.
