

I-DOSE Sanitary pod - 10 ml - 10 pieces

GENERAL

Ultra-concentrated, eco-friendly and low-foaming floor cleaner for daily use in sanitary spaces. Removes soap residue, grease spots and calcium and limescale deposits. Guarantees a quick-drying result without streaks.

No hazard symbols (CLP-free). Gentle on the skin.

Each package of these pods contains 10 pods, 10 ml each, suitable for the I-MOP's I-DOSE tank XL.

USAGE

Fill the I-MOP tank with 3 - 5 litres of water and insert a pod into the injector. Press the yellow button on the injector down. For acid-sensitive floors, always do spot-test first in an inconspicuous area prior to first use.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. BOMA is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
