

Forcid EVO - 750 ml

GENERAL

verpakking

Powerful ecological descaler

- Easily removes limescale and soap deposits
- Suitable for periodic descaling of toilets and sinks
- Also suitable for removing rust, cement sludge and cement deposits on acid-resistant surfaces
- Safe for taps and chromeware

Forcid EVO is a concentrated ecological descaler for periodic and professional use. The product efficiently removes limescale from all acid-resistant surfaces (e.g. sinks, showers, swimming pools,...). The product should not be used on calcareous surfaces such as marble, bluestone,... Forcid EVO is free from chlorine or other halogen compounds, mineral acids and detergents derived from petroleum. All detergents used are of vegetable origin. All ingredients of non-mineral origin are completely biodegradable.

pH 0.5
Cleaning Power Very powerful

USAGE

Use Forcid EVO undiluted for descaling toilets and stubborn scale on sinks and urinals.

Dilute Forcid EVO 0.4% - 20%, depending on the soiling, for thoroughly cleaning acid-resistant floors or removing cement sludge and rust stains.

DO NOT mix with chlorine!

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. BOMA is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
