

Trebio Multi - 1 l

GENERAL

Material Health Go 100% RECYCLED

- Probiotic all-purpose cleaner for daily use with environmentally beneficial effect
- Low-foaming all-purpose cleaner for cleaning water-resistant surfaces and floors in interior and sanitary areas
 - With Trebio Consortium, a revolutionary combination of 3 Bacillus strains with synergistic action and unique enhanced properties
 - Cleans surfaces and leaves behind a long-lasting enjoyable scent
 - Fresh fragrance

After years of expertise in probiotic cleaning, Greenspeed is proud to introduce Trebio, the 3rd generation of probiotic cleaning. This revolutionary line marks a significant leap forward, building on the successful Probio and Synbio product lines. Trebio enriches this legacy with the Trebio Consortium, an advanced blend of probiotic bacteria that takes cleaning to unprecedented levels of effectiveness and sustainability. Trebio's superior performance is due to the Trebio Consortium, a carefully blended blend of three specific strains of Bacillus species: Bacillus subtilis, Bacillus amyloliquefaciens and Bacillus pumilus. These third-generation strains were not chosen at random; they were specifically selected and optimised for their synergistic effects and unique, enhanced properties. This sets Trebio apart from traditional cleaning methods and previous probiotic generations.

pH	9
Cleaning Power	Powerful

Suited for

Thermoplastic flooring in PVC or vinyl - Linoleum - Flooring covered with a polymer protective film - Rubber flooring - Natural stone, acid sensitive (limestone) - Natural stone, non acid sensitive - Ceramic tiles - Flooring in concrete, poly-concrete, unglazed tiles and cement based composite floors - Screeds, epoxy flooring, PU flooring and resin based composite floors - Wooden flooring covered with a polymer protective film

USAGE

Appearance: Liquid
Colour: Green-Blue
Odeur: Fresh
Solubility in water: Complete
pH-value: 9 (Undiluted product)
Relative density 20°C: 1,001 Kg/L
Packaging: 100% recycled plastic, 100% recyclable

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. BOMA is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
